*Select from General Education elective courses that may qualify as transfer credit into the CSU BS Fire Administration degree plan.

**27 hours of credit will be awarded for SAU Fire/Emergency Response electives. Lower level credit can be awarded for this course if it is taken as part of the 27 hours of SAU Fire/Emergency Response elective options.

***3 hours of credit will be awarded for SAU Fire Science options.

****LSS 1300 Learning Strategies for Success is a required course in the Humanities section. However, based on the requirements for the AAS Fire/Emergency Response degree from SAU, and current policies regarding that course being waived, LSS 1300 would not be required.

±CSU Bachelor degree programs require 36 hours of upper level credit. The amount of transfer credit awarded may vary to ensure the 36 hour upper level requirement is met.

Initial transfer grid created by Debra Locke on 3/13/2014. MW updated 4/22/14.
