The Miss Greater Camden & Miss Greater Camden's Outstanding Teen Scholarship Pageants are an official preliminary to the Miss Arkansas and Miss Arkansas' Outstanding Teen Scholarship Pageants. The pageant is open to participants from the following counties: Ouachita, Calhoun, Nevada, Union, & Dallas Counties. You are cordially invited to compete for scholarships, awards, and the chance to compete for the state title and ultimately Miss America and Miss America's Outstanding Teen. **The Sponsorship/Entry Fee is \$50.**

The pageant will be a one day event that will be held on Saturday, February 26, 2011, to conclude with the crowning of Miss Greater Camden and Miss Greater Camden's Outstanding Teen 2011. The pageant will be held at the Camden Fairview Middle School Auditorium in Camden, AR starting at 7:00 p.m. The middle school is located at 647 Dooley Womack Drive, in Camden. Directions to the school can be found using MapQuest.

Children's Miracle Network is now the official national platform of the Miss America Organization. This year the Miss America Organization is asking each contestant **to raise a minimum of \$100** to support the Children's Miracle Network and the Miss America Scholarship Fund in order to participate in the local preliminary. This is **NOT** an entrance fee, but rather a new service requirement by the Miss America Organization, Inc.

Contestants will still need to raise a minimum of \$100 per Local pageant entered and must register on line for each local pageant entered by going to MissAmerica4Kids.org and logging into their CMN personal page and selecting the new pageant for the title that they are then currently competing for. When changing the "Pageant competing for:" do not change your ID.

Follow these steps to get started:

1. Visit <http://www.missamerica4kids.org>
2. Click on the new contestant button below and complete your profile (a photo will be required).
3. Send emails to your family and friends asking for donations to support the Children's Miracle Network and the Miss America Scholarship Fund using the simple pre-formatted email system and monitor your results by clicking the "View Donors" link.

All contestants must register at MissAmerica4Kids.org. Even though a contestant may have been involved in the Miss America Pageant system last pageant cycle (leading to a State 2010 title), a new ID is needed when the contestant enters their first Local Pageant of the Pageant Cycle. That ID chosen for the first Local Pageant will be used by that contestant throughout the pageant season for that pageant cycle. **DO NOT** create a new ID for each pageant within a pageant cycle.

Any donations collected, in excess of the \$100 for Pageant 1, will automatically roll-over into the contestant's excess account and will be used toward their fundraising goal for Pageant 2. Any excess funds from Pageant 2 will automatically roll-over and will be used toward their fundraising goal for Pageant 3, etc.

If the contestant does not go on to compete at the State level, any excess funds over the \$100 per pageant entered will be equally distributed among all of the local pageants the contestant competed in. If you have any questions in reference to the CMN donation please, do not hesitate to call. This may seem like an overwhelming process, but it is not to difficult to handle. You may also contact David Harnicher dharnicher@childrensmiraclenetwork.org or phone: 801-273-3269, if you have questions or problems creating your personal web page.

2010 LOCAL SCHOLARSHIP RULES AND REGULATIONS

THE MISS _____ ORGANIZATION WILL AWARD SCHOLARSHIPS UNDER THE FOLLOWING GUIDELINES: (PLEASE NOTE IN SOME CIRCUMSTANCES A 501 C-3 FOUNDATION AFFILIATION MAY NOT ALLOW PAYMENT OF SCHOLARSHIP FUND TO BE UTILIZED FOR STUDENT LOANS OR COMPUTER EQUIPMENT.)

1) SCHOLARSHIP USAGE:

Scholarship funds may be applied to tuition, textbooks, supplies, academic fees and other appropriate mandatory educational expenses. All unusual or questionable items of expense must be referred to the Miss _____ Organization with as much information as possible and far enough in advance for consideration of approval. Amounts received as scholarship payments are taxable income to the extent that they exceed "Qualified Tuition and Related Expenses".

Qualified Tuition and Related Expenses include tuition and fees required for enrollment or attendance of a student at an educational organization, including fees, books, supplies and equipment required of all students in the particular course of instruction.

Payment of all approved expenditures will be made directly to the college, university or other accredited institution unless extenuating circumstances exist (with the exception of computer or musical equipment clause). Personal Reimbursements to scholarship recipients will not be honored, so proper planning and time allotment is essential on the part of the student.

2) REQUESTING USAGE:

Requests for scholarships are initially processed by the Miss _____ Organization for its review and approval upon written receipt of statements from colleges and schools or from the contestant for other educational expenses. All statements and invoices must be accompanied by a cover letter from the contestant.

Requests for computer or musical equipment will be recommended only if the college or school states in writing that it is mandatory requirement in order for the contestant to complete the coursework. The contestant may be reimbursed for this expense provided the contestant submits either a letter on official school letterhead from the school stating the mandatory requirements or a list of course requirements. There will however, be a \$2,000 cap on computer equipment, and this type of expense will be reimbursed only once. Computer software is not a reimbursable item. The original bill of sale must be submitted as well as the original credit card receipt or a copy of the canceled check

3) REIMBURSEMENT GUIDELINES:

Payments for room and board will be made to the educational institution (or for off-campus housing if the scholarship rules and regulations of the Miss _____ Organization permit) and such requests must be accompanied by appropriate documentation from the educational institution evidencing the charges for same. Contestants must maintain at least 12 credit hours as a full-time student, 9 credit hours part-time status and 9 credit hours for graduate in order to qualify. Payments do not cover key fees or deposits. Utilities (electric, gas, cable, phone, etc.) are also not covered.

It is each contestant's obligation to determine whether the scholarship, in whole or part, is includable in gross taxable income, regardless of whether a Form 1099 has been issued. Contestants are encouraged to consult a tax advisor regarding the taxability of the scholarship payments.

4) PRIORITY OF LEVEL IN USAGE:

Contestants receiving scholarships at the local level must use the scholarship won at the local level prior to applying for funds at the state level. It shall be the responsibility of the local contestant to request written verification from the Miss _____ Organization Local Executive Director that all local scholarship funds have been exhausted for submission to the State Organization. Outside of a request for computer equipment as discussed in Item 2, exceptions to this rule may be granted for payment of college or university room and board which do not fall within the guidelines for disbursement at the local level. The request for an exception must be submitted in writing to Scholarship Committee for consideration.

5) STUDENT LOANS:

Scholarships may be used for outstanding student loan obligations provided the contestant has satisfactorily completed the coursework for which the loan was obtained. In all cases, requests must include a current bill from the lender showing a current address, a copy of the promissory note showing that the contestant is either the primary or secondary payer of the obligation, and an official transcript showing completion of the coursework.

6) USAGE FOR FUTURE EXPENSES AND FORFEITURES

Scholarships may be used for future educational expenses, provided, however, except as set forth below, contestants must begin use of their scholarships within 1 year of the date of the award. Prior to the date of forfeiture, reasonable attempt will be made by the local organization to notify the contestant of impending forfeiture. If a contestant has not submitted a request to the Miss _____ Organization for her scholarship award dollars during this period, her right to request funds will be forfeited. **If a contestant forfeits any money from her scholarship award at the local level, her award at the state and national level will automatically be forfeited.**

An exception to the time limits may be made if the contestant, prior to the expiration date, makes a written appeal to the Miss _____ Organization citing compelling reasons why the time period should be extended. If a contestant who wins her local title is successful in winning her state title it will still be necessary for her to submit a written letter of request for extension of her local scholarship awards. The Miss _____ Organization will review the request and determine whether an extension is warranted. The decision of the Miss _____ Organization shall be final and binding.

THE MISS _____ ORGANIZATION RESERVES THE RIGHT TO AMEND AND OR MODIFY THE FOREGOING SCHOLARSHIP RULES AND REGULATIONS AT ANY TIME WITHOUT NOTICE.

I (Contestant) have read and understood the 2010 Miss _____ Organization Local Competition Scholarship Rules and Regulations:

Celebrating Cultural Diversity and Inclusiveness

It is imperative that this nation face and embrace its cultural diversity. While many people have talked about this issue, I believe that most of them have only paid lip service to the true necessity of what needs to be addressed related to this issue. There is a false truth in merely accepting and tolerating cultural diversity. I intend to prove that in order to accept and understand people of other cultures; one must be willing to step out of a personal cultural comfort zone and identify the origin of their prejudice. I will specifically focus on three areas: Children, Communities, and Businesses.

The title of Miss America, combined with the national media already looking at the surface of this issue, will allow me to create the national awareness that must exist. Currently, the term “Cultural Diversity” is well known in the halls of institutions of higher learning and, perhaps, even in the public school classroom because of the need for some to be politically correct. But, in order for us to make a true change in attitudes and behaviors of Americans, we must move beyond talk and into action and policy changes.

My plan is to motivate the media and to partner with the National Conference for Community and Justice. This organization has chapters in every major city in the nation and, in many cases, those chapters have community leaders involved who can, with encouragement and challenging, bring this issue out of hiding and into the public light in each of those communities.

Obviously, the media and the NCCJ already exist. However, what is lacking is a lightning rod to draw attention to this issue. This is where the Miss America Organization steps into the lead. What better role is there for Miss America than to be an agent of change in organizing our nation to accept our differences and to create an environment that values each person on individual characteristics rather than on stereotypes or assumptions?

For years, Miss America was seen as a young woman who cut ribbons and appeared in parades. It is time for “Miss America” to step out of the convertible and *lead the parade*. Our country’s ethnic make-up is changing rapidly and our citizen’s fear of terrorism can explode already existing, but deeply hidden prejudices. I want to be the leader that this nation needs.

This nation needs this issue addressed now and through the already existing NCCJ and its local and state organizations combined with the power of Miss America, we can make a concrete difference now, which will change the direction and the future of our nation.

What impact can the Miss America Organization and its contestants have on society through the partnership with Children’s Miracle Network? Children’s Miracle Network (CMN) hospitals throughout the country treat over 17 million children each year. It is their goal to save and improve the lives of children by raising funds for children’s hospitals across North America. The Miss America Organization and the over 12,000 young women who compete in the Miss America Program, can make a huge impact by not only raising much needed funds for CMN, but also awareness. CMN hospitals provide charity care worth billions of dollars and need community support in order to continue to provide these services. Miss America contestants are hard-working and passionate, especially when it comes to community service. By working together towards the same goal, we greatly increase the impact we can make. This not only helps CMN hospitals, but each of the communities where these hospitals are located and the children in these communities who need medical care.

What is the best way to make Miss America more relevant to people your age? I feel that Miss America is extremely relevant to people, especially women, my age. What I feel we need to focus on is breaking down common misconceptions that make Miss America seem irrelevant. The misconception people have is that Miss America is simply a beauty queen. By working to educate people on who ‘Miss America’ is - someone who is not only beautiful but also intelligent, talented and community service orientated – we start to break down misconceptions and show young women just how alike they are to Miss America. Today’s young women need to know that ‘Miss America’ has the same goals as them. Contestants competing in the Miss America System are college-bound young women, who are active in their communities and who work to bring attention to issues that are important to society.

If you could create and produce one single event that would best utilize the partnership between the Miss America Organization and Children’s Miracle Network, what it be and how would you do it? I think a large-scale event that utilizes the power of the current Miss America and the state titleholders is the best way to utilize the MAO/CMN partnership. An annual event like the Black Tie Gala, which MAO and CMN held in Las Vegas before the pageant, not only raised money, but also awareness for the two organizations.
