

Enroll Now - Get Started Reading to Your Three-Year Old

Dear Parents,

Your child has left toddlerhood behind and entered the exciting and challenging world of a preschooler! As your three-year-old begins the long process of learning to read on their own, you'll begin to see the effects of all of the pre-reading skills you've been fostering.

Rock 'N Read would like to share with you more ways to encourage and help your child to enjoy books. Please take a minute to fill out this enrollment form and return it to rocknread@sautech.edu. Your child will then be mailed a three-year old book packet which includes:

- Kids' Reading List for Three-Year Old
- Reading Resources
- Reading Tips for Three-Year Old
- Two Books – *Alphabet Under Construction* and *Do Like The Duck Does*
- *What Is Family Literacy* Pamphlet

Every year on the birthday month of your child through age 4, you and your child will receive a free packet of age-appropriate books and additional reading information.

Rock 'N Read hopes you will enjoy sharing the love of books with your child. Reading to your child will help your child succeed in school and also ensure success in becoming a life-long reader.

We want to hear from you!
