Teacher Education
PRAXIS 1 (PPST) Preparation Exam Workshops
Sponsored by SAU Tech Teacher Education Program

Do you need help preparing for the Praxis 1 (PPST)?

For anyone seeking a new career in PK-12 teaching – attend this practical workshop at SAU Tech to help you gain confidence and better prepare for the Praxis 1 (PPST).

The Praxis 1 Preparation Workshop focuses on the reading, grammar, impromptu writing and math abilities required for the successful completion of the Pre-Professional Skills Test (PPST®), a state requirement for teacher certification. You will learn about the topics being tested, the types of questions typically found on the test, and the strategies to use when answering the questions. You'll also review major grammar and mathematical (including algebra and geometry) concepts covered on these multiple choice tests and practice beneficial reading and writing processes. After receiving feedback on a sample test, you will design a personal plan to follow as you continue your preparation for taking the PPST.

Limited enrollment

\$60 for registration (This includes all classroom student materials, personalized instruction, and access to three timed practice tests per discipline with feedback via Blackboard).

The workshop will be held on Saturday, February 18th & Saturday, February 25th from 8:30AM until 3:00PM in AD236. There will be a one hour break for lunch. For more information, please contact Lisa Oden at 870-574-4548 or by email: loden@sautech.edu.

Praxis Registration Form

Payment can be made by check or money order. If you wish to pay by credit card, leave your number on the form and the business office will call you.

Complete the form below and return it with **\$60.00** to:

SAU Tech Business Office
P.O. Box 3499
Camden, AR, 71701

Each workshop has limited enrollment, so applications will be accepted on a first come, first served basis.
