SAU Tech does not discriminate on the basis of race, color, nationality, gender, religion or age in the delivery of services or hiring of employees. It is our policy to provide equal access to services and facilities for persons with disabilities.
Southern Arkansas University Tech
COSMETOLOGY PROGRAM

Southern Arkansas University Tech (SAUT) is now providing an evening cosmetology program. The program is provided in three semesters and students can earn a Technical Certificate in Cosmetology.

High school students who have already completed two-years of clock hours in the SAUT Career Academy program can earn 4 college credits toward the program completion.

The cosmetology program is offered Monday through Friday from 3:00 p.m. to 9:00 p.m. and trains students to prepare for the Arkansas Board of Cosmetology license exam.

Students take classes in sterilization, sanitation, treatments, perms, relaxers, hairstyling, cutting, coloring, bleaching, facials, manicuring, pedicuring, salesmanship, and shop management, all in a fully equipped lab setting!

Call us today to make your dream of becoming a hairstylist come true!

How do I get started?
Getting started in college can seem a bit overwhelming but here are a few tips to get the process started right:
1. Locate your high school diploma and any college transcripts (get the college to send them directly to SAUT).
2. Locate a copy of your tax returns or your parents’ tax returns, if you are their dependent. (you need the returns to apply for financial aid).
3. Go to www.sautech.edu and apply to attend SAUT. It’s free to apply!
4. When you complete your application, you will get a letter from SAUT’s Admissions office that will contain a list of items you need to provide to Admissions in order to be completely enrolled. It will also contain your student ID number, information about MyCollege and your student email.
5. Go to https://fafsa.ed.gov/ and apply for federal financial aid. Do this as soon as you start thinking about attending college. This is where the income tax return comes in handy. If you have problems with this step, please call our Financial Aid office for assistance or just stop by for help. (870.574.4511)
6. Next, you will be assigned an advisor who will help you register for classes, and then the real work begins!
7. SAU Tech also has student housing if you want to live on campus. You can complete a housing application online when you complete the application for admission.
