

Health Sciences

Associate of Applied Science (A.A.S.)
(Pre-Sports Medicine Option)
(Transfer to Southern Arkansas University)

This degree is designed to provide the student with comprehensive general education and pre-health courses to satisfy entry-level eligibility requirements for the Bachelor of Science in Athletic Training at Southern Arkansas University and other Arkansas colleges. Students planning to transfer should consult an academic advisor at the selected transfer college regarding admission procedures and course requirements.

Mission

The mission of the Health Sciences program is to provide students, who are interested in the health sciences, with a strong curriculum based in the biological sciences, chemistry, anatomy, pre-sports, humanities, and social sciences.

Program Goal

The curriculum for the Associate of Applied Science degree is designed for students whose goal is to transfer to a baccalaureate degree program in nursing or another health science-related program.

Program Outcomes

1. Demonstrate a foundation of knowledge in the natural sciences based on theory and laboratory skills.
2. Be able to use the Scientific Method to gather information and to come to conclusions.
3. Demonstrate the ability to think critically and to be able to solve problems by collecting, analyzing, and interpreting data.
4. Display good communication skills.
5. Demonstrate an understanding of cultural and social issues.
