

Business Administration

Associate of Science (A.S.)
(Transfer to Southern Arkansas University)

The Associate of Science (A.S.) degree in Business Administration is designed for students who wish to complete a baccalaureate degree in such areas as Management, Accounting or Marketing. Articulation with four-year institutions of higher education enables students holding an Associate of Science (A.S.) degree to move smoothly into their program of choice or be prepared for immediate employment. SAU Tech and Southern Arkansas University have established a partnership agreement to assist students pursuing an Associate of Science degree at SAU Tech to transfer smoothly from SAU Tech into the Bachelor of Business Administration program in Accounting, General Business, Finance, Marketing, Organization Management, or Management Information Systems at Southern Arkansas University. Students pursuing this transfer option should work closely with their advisor to follow the required plan of transfer and refer to the Southern Arkansas University undergraduate catalog regarding transfer student admission.

Program Goals

1. The Business Administration program will provide an educational gateway to a career in business by providing the first two years of a university transfer program. Principle courses will be offered in various business disciplines to prepare students for a degree in business through the Associate of Science degree in Business Administration.
2. The Business Administration program will provide the education and skills necessary for an entry level position in a business setting.

Program Outcomes

1. Students will obtain the rudimentary understanding of business systems, business operations, and business terminology necessary for a successful business career.
2. Students will understand the coordination of the various disciplines involved in a successful business.
3. Students will obtain and exhibit the relevant communication and critical thinking skills required for an advanced business degree and successful business career.
