Health Sciences

Technical Certificate (T.C.)

This certificate is designed to provide the student with a comprehensive general education and pre-nursing program of study to satisfy entry-level eligibility requirements into the Associate of Science degree nursing programs at some Arkansas colleges. Completion of this certificate does not guarantee placement in the nursing programs. Students planning to transfer should consult the director of the nursing department at the selected transfer college regarding admission procedures and course requirements.

General Information

- Developmental coursework may be required in addition to the courses required for this degree and/or certificate(s).
- A [P] indicates that a prerequisite is required before the course can be taken. Refer to the prerequisites table listed below the degree plan or the course description in the College Catalog to determine the prerequisite.

General Requirements

- This certificate requires successful completion of 37-40 credit hours.
- All degree-seeking students are required to take Student Success. This course does not count toward credit requirements of associate degrees or certificates.
- A minimum 2.00 cumulative grade point average is required for graduation.

ACTS Course Numbers

The Arkansas Course Transfer System (ACTS) contains information about the transferability of courses within Arkansas public colleges and universities. Students are guaranteed the transfer of applicable credits and equitable treatment in the application of credits for admissions and degree requirements.
