POSITION TITLE: Engineering Technology Instructor

DATE POSITION AVAILABLE: August 2015

APPLICATION DEADLINE: Deadline for first consideration is May 15, 2015. Applications will be accepted until position is filled.

JOB DESCRIPTION:

This is an academic nine-month position responsible for:
1. Teaching a minimum of 15 semester hours each Fall and Spring semesters in automated and robotic engineering, electronics engineering, and engineering physics.
2. Maintaining office hours to be accessible as needed for student conferences.
3. Assisting in curriculum development and selection of instructional materials.
4. Assuming duties, including committee assignments over and above assigned classes and office hours.
5. Utilizing talents, academic background, and personal qualities to serve the best interest of student and the College.

MINIMUM QUALIFICATIONS:

1. Bachelor’s degree in Engineering Technology or related field.
2. Three years' experience working with industrial robots, automated systems, PLC systems, and mechatronics.
3. Excellent communication skills, both oral and written.
4. Good command of the English language.
5. Background check required

PREFERRED QUALIFICATIONS:

1. Teaching experience in secondary and/or higher education.
2. Industry experience and/or certifications in automated manufacturing or related fields.

ANNUAL SALARY BASE: $40 - $45,000 (Base salary depending on teaching and/or related work experience)

DATE OF NOTICE: April 27, 2015

APPLICATION PROCEDURE: Send a completed SAU Tech application, resume, and official license/transcripts to:
