**General Scholarship Guidelines:**

- SAU Tech scholarships only pay for tuition (in-state only), unless otherwise noted. Only one scholarship awarded per student.
- \*ACT, Compass and other assessment scores are accepted as equivalent.
- All applicants must be fully admitted to SAU Tech and degree seeking; must not already have an Associate or Bachelor's degree.
- Applicants must be US citizens or permanent resident aliens.
- Students must enroll in 15 hours each semester unless otherwise notated; must begin attendance in the fall semester.
- Scholarships are awarded on a fall/spring basis. Scholarships cannot be used for summer sessions.
- Scholarship applications must be completed and submitted with items need by the stated date; first to apply will receive preference; waiting list applies after stated date.
- Scholarships are reviewed at the end of the spring semester to determine if renewal requirement met (i.e., "at year end").
- Scholarships are awarded to the extent funds are available.
- Scholarships are good for a total of up to four consecutive semesters or until the student receives an Associate degree, whichever is earlier, provided the student meets renewal requirements. If the student is not enrolled for a semester the scholarship is lost. Depending on the scholarship requirements the student may be able to reapply.
- See the SAU Tech catalog at [www.sautech.edu](http://www.sautech.edu) for further information.

**ALL students are strongly encouraged to complete a Free Application for Federal Student Aid (FAFSA) at [www.fafsa.gov](http://www.fafsa.gov) AND apply for state aid at [scholarships.adhe.edu](http://scholarships.adhe.edu).**
