ONLINE COURSE INFORMATION SHEET

Course Number: HIST1003

Course Title: World History I

Course Description: A study of world civilizations since the early modern period. The information within this site is supplemented with a textbook, assignments, and links to sites on the World Wide Web. Students will read textbook assignments, complete other assignments, respond to essay questions, and answer class discussion questions.

Instructor: Robert Gunnels, Dan Milam, or Patricia Sindle

Instructor Bio

Robert Gunnels has been employed by SAU Tech since 1996 as an instructor of social sciences and most recently as Vice Chancellor for Extended Education. M.A. Auburn University; B.S. Southern Arkansas University

Dan Milam is a faculty member at SAU Tech where he teaches history, government, and geography. Previously he taught social studies at Holy Redeemer Schools in El Dorado, Arkansas. M.A. Louisiana Tech University; B.S.E. University of Arkansas

Patricia Sindle is the Director of Counseling and Testing for the Student Services Department at SAU Tech. She is an adjunct instructor for the College's World History and Geography Internet courses. M.S.E. Henderson State University; B.S.E. Ouachita Baptist University

Prerequisite: Appropriate Placement Scores; CO-0133 & CO-0223

Textbook Information: *World Civilizations II*. Adler, Philip. 4th edition.

Learning Outcomes:

1. The student will demonstrate, by score 70% or higher on examinations, lessons, and assignments, that he/she can recognize the significant historical events that occurred during the time period covered by this course along with the environmental and cultural elements that caused historical events to develop as they did.
2. This course fulfills the goals for the SAU Tech Assessment Plan goals in the General Education Competencies: #1-Writing, #3-Social Sciences, #4-Critical Thinking, and #5-Research.

On-Campus Requirement

The final exam must be taken at an approved proctor site. Visit the college website at www.sautech.edu for detailed information.

Modes of Interaction

This course is divided into three units of study. Each unit consists of lessons made up of key terms and review questions from textbook reading. Students are to complete and submit the lessons. A short paper reviewing a web site relevant to the unit of study or a short essay paper chosen from a list of topics must be completed for each unit. Students must post a discussion board response to a critical thinking question for each unit. Students must maintain regular contact with the instructor. The instructor responds to student assignment submissions and discussion board posts.

Methods of Assessment

Multiple choice unit exams and proctored comprehensive final exam using question banks in Blackboard.

Enrollment Procedures

SAU Tech is an open admissions college; however, we have several items that you must provide in order to be admitted:

- Submit application for admission.
- Submit a high school transcript or GED, and official college transcripts from all previously attended colleges (if applicable).
- Provide proof of two immunizations against measles, mumps and rubella.
- Take a placement test. Students enrolling must submit ACT, SAT, ASSET or COMPASS scores. Students can take the ASSET or COMPASS test at SAU Tech.

Students are responsible for all tuition and fees at the time of registration. Students must officially drop by written notice or in person in order to reduce their balance owed. If students never attend class, he/she will still be assessed partial tuition and full student processing fees, unless completely he/she completely withdraws during the 100% refund period.

In order for a student to drop a class, he/she must complete a drop form or send written request to his/her advisor. A \$10 drop fee is assessed for drops that take place after the registration period ends.

Admissions Office Website: <http://www.sautech.edu/studentResources/admissions.aspx>

Course Registration Website: <http://www.sautech.edu/studentResources/advising.aspx>

Technical Requirements and Resources: Students will need Internet access and have the ability to send and receive e-mail attachments using the e-mail within Blackboard.

Library Website: <http://www.sautech.edu/lrc/index.aspx>

Bookstore Website: <http://sautech.textbooktech.com>

Adult Learner Resources: Online library and bookstore services can be obtained at the library and bookstore websites. Advising services can be obtained at <http://www.sautech.edu/studentResources/advising.aspx>.

Student Support and Learning Resources: Online library and bookstore services can be obtained at the library and bookstore websites. Advising services can be obtained at <http://www.sautech.edu/studentResources/advising.aspx>.

Other Considerations

Prior computer skills are essential for success in an online class. Prior to enrolling in an online class, you should be able to:

- Surf the Internet and download web pages
- E-mail and attach files and know proper e-mail etiquette
- Use Microsoft Word skills and submit papers with correct format, grammar and spelling

All first time online students are required to complete Learning Strategies before they will be allowed to take their online course(s). The purpose of Learning Strategies is to teach students how to use Blackboard and provide information about other systems that students will use while a student at SAU Tech.

There are computer programs and other things that you will need if you are taking an online course from SAU Tech. To make it easier for you, we have compiled a list of these things. Before beginning your online course, you should go ahead and make sure each of these programs listed below are loaded on every computer that you will use while taking your online course(s).

- Microsoft Word – used to complete assignments and submit to instructor
 - Can be accessed via SkyDrive inside your student email account. **FREE**
 - Can be purchased from Wal Mart or other software vendor and will need to be loaded on to your computer
 - There is also a **free** product that works just as good as the Microsoft Office Suite. You can download it at <http://download.openoffice.fm/free/?pk=26976>
- Adobe Reader 7.0 or higher – used to read files in pdf format
 - Cost: Free
 - Can be downloaded to your computer from <http://www.adobe.com/products/acrobat/readstep2.html>
- Adobe Flash Player (7 or higher) – used to view study activities and demonstrations in Learning Strategies course
 - Cost: Free
 - Can be downloaded to your computer from http://www.adobe.com/shockwave/download/download.cgi?P1_Prod_Version=ShockwaveFlash
- Macromedia Shockwave Player 8.5.1 – used for interactive quizzes, animations and activities
 - Cost: Free
 - Can be downloaded to your computer from <http://www.macromedia.com/shockwave/download/download.cgi?>
- Windows Media Player – used to listen play audio files
 - Cost: Free
 - Comes as part of your Windows operating system
- Java – a technology that is required in order for Blackboard to function properly as well as some other programs that SAU Tech uses with its online classes (**Note: Only one version of Java can be running on your computer at a time.**)
 - Cost: Free

- Can be downloaded to your computer from <http://javashop1m.sun.com/ECom/docs/Welcome.jsp?StoreId=22&PartDetailId=jre->
