SOUTHERN ARKANSAS UNIVERSITY TECH HONORS PROGRAM

Southern Arkansas University Tech

SAU Tech does not discriminate on the basis of race, color, nationality, gender, religion or age in the delivery of services or hiring of employees. It is our policy to provide equal access to services and facilities for persons with disabilities.

Southern Arkansas University Tech Honors Program Overview

As a participant in SAU Tech's Honors Program, students have an opportunity for exciting and creative learning. Students may take honor courses each semester.

All of SAU Tech's honors courses transfer to public four-year colleges in Arkansas. In honors courses learning is approached from a different perspective with students taking a more active role in the learning process. Classes are small and focus on group work with instructors and peers. Coursework is different, but not necessarily more difficult or more time consuming than non-honors courses.

SAU Tech is a partner with Southern Arkansas University's Honors College. SAU honors all SAU Tech honors credits up to 12 hours of the total 24 hours needed for honors graduation from SAU.

Honors Program Eligibility

Students interested in applying to the honors program must be planning to enroll in or are currently enrolled in one of the following programs of study:

- Associate of Arts in General Studies
- Associate of Arts in Teaching
- Associate of Science in Business Administration
- Associate of Science in Fire Science Management
- Associate of Professional Studies (General)

Students must meet at least one of the following requirements as well.

1. A 22 composite ACT (or equivalent score on alternate college entrance exam) and a 3.25 GPA from high school.
2. A 23 ACT English, math, or science sub-score and a 3.25 GPA from high school.
3. Letters of recommendation from your high school principal, high school counselor, one high school teacher, and a 3.25 high school GPA.
4. Be a current student with 12 or more college hours with a GPA of 3.25.

Applying for the Honors Program

If you are already enrolled to attend SAU Tech or you are currently attending, you can contact your advisor to see if you are eligible for the program.

If you have not yet enrolled, but are interested in applying for the honors program, you can fill out the application for the program at sautech.edu or call **870.574.4558** to determine if you are eligible for the program.

Students who apply to the honors program will still need to apply to the college itself. The application for admission to SAU Tech is also at sautech.edu.

Honors Program Benefits
