

SOUTHERN ARKANSAS UNIVERSITY TECH

POSITION VACANCY NOTICE

POSITION TITLE: Computer Information Technology Instructor

DATE POSITION AVAILABLE: August 2019

APPLICATION DEADLINE: Applications will be accepted until position is filled.

JOB DESCRIPTION:

This is an academic nine-month position with full benefits. This position requires a commitment to teaching in a dynamic community college setting and the ability to successfully interact and respond to the broad ranging needs of an academically and culturally diverse campus setting. The instructor will provide instruction in the Computer Information Technology degree program. The courses to be taught include: A+ Essentials, Supporting Network Clients, A+ Applications, Enterprise Support Technician, Supporting Network Servers, Cybersecurity, Security+, Network+, Business Continuity & Disaster Recovery, Cloud Computing, and Ethical Hacking. This position will be responsible for:

1. Teaching a minimum of 15 semester hours each Fall and Spring semesters.
2. Providing tutoring and individual supplemental instruction.
3. Maintaining a minimum of 10 office hours per week to be accessible as needed for student conferences.
4. Assisting in curriculum development and selection of instructional materials.

In addition to teaching duties, the faculty member will be expected to maintain active participation in non-instructional campus responsibilities such as college and departmental initiatives, committee work, student record keeping, curriculum planning, assessment of student learning, recruiting, and professional development.

MINIMUM QUALIFICATIONS:

1. Bachelor's degree with 18 graduate hours in computer science or related field.
2. A+ certification or substantial experience towards certification.
3. Experience in computer troubleshooting.
4. Excellent communication skills, both oral and written.
5. Good command of the English language.

PREFERRED QUALIFICATIONS:

1. Master's degree in Computer Science or related field
2. History of industry experience in computer science/troubleshooting
3. Experience teaching in post-secondary or secondary educational settings.
4. Appropriate certifications.

All SAU Tech employees are expected to demonstrate excellence in interpersonal behaviors and be committed to effective collaboration with colleagues. Joining the SAU Tech family requires a commitment to our culture of Continuous Quality Improvement.

SALARY: Commensurate with education and/or related work experience

DATE OF NOTICE: February 15, 2019

APPLICATION PROCEDURE: Applications are available at: www.sautech.edu
