Welding

Technical Certificate (T.C.)

The SAU Tech Welding Academy provides high quality/high tech welding training in a nine-month program at the Magnolia Business and Industry Training Center located in Magnolia, Arkansas. The advanced nature of the coursework is intended for students with prior welding experience and/or coursework. The training is available for students who pass an entrance welding skills exam. Welding Academy training meets National Center for Construction Education and Research (NCCER) and American Welding Society (AWS) standards and students will earn certifications upon successful completion. Processes include SMAW (stick), MIG (wire), and TIG (tungsten) welding on plate and pipe of various materials including carbon steel, aluminum, and stainless steel. Those interested should contact the Welding Academy Director at 1.870.234.7234 for applicant testing information.

General Requirements

- This certificate requires successful completion of 30 credit hours.
- All degree-seeking students are required to take Student Success. This course does not count toward credit requirements of associate degrees or certificates.
- A minimum 2.00 cumulative grade point average is required for graduation.
