

SAU Tech Adult Education Frequently Asked Questions

- **How do I start?**
 - In order to enroll, you need to take your AR ID or DL and Social Security Card to the location of your choice. You will be able to take our entrance (TABE) test if you arrive at a testing time or you will be given an appointment for testing. After you finish testing, your results will be given to you and you will be ready to begin class.
- **How can I get my WAGE™ certificate?**
 - You will follow the enrollment process for entrance testing and then will be given a plan in the classroom that covers the certificate requirements and remediation if required. This program is not completed in one day and takes different people, different amounts of time to complete. Once you complete the TABE test, our staff can give you a better estimate of time you will need to commit to.
- **How can I get my GED®?**
 - You will follow the enrollment process for entrance testing and then will be given a plan in the classroom that includes remediation if necessary, practice testing, and finishing with taking the test at one of our two official testing sites.
- **How much does the WAGE program cost?**
 - It is FREE to all Arkansas students and never expires.
- **How much does the GED program cost?**
 - It is FREE to all Arkansas students. Our classes do not have a fee. After you meet your class goals, you will receive a free GED Ready test and then will schedule your official test. The official test has a \$4 fee per subject paid to Pearson. If the cost of the test is a barrier, please see your teacher.
- **What is TABE?**
 - The TABE test is a standardized test and it stands for Test of Adult Basic Education. It measures your skills in Reading, Math, and Language and helps the teachers know where you are on an academic level. It is free for our students and a great tool for planning instruction.
