- The borrower must not leave the tablet or laptop unattended. If a borrower must leave for a short time, the tablet or laptop may be left with a staff member at the Circulation Desk with the understanding that the tablet's or laptop's check-in time will not be changed. If an unattended tablet is retrieved by a staff member, the borrower's tablet and laptop borrowing privileges will be suspended.

- Each tablet/laptop will be restored to a default load upon each check in, deleting all data and apps from the previous user. The Library is not responsible for anything a borrower may put or leave on our equipment.
- RSC staff may not be available to provide technical support.
- The RSC assumes no responsibility for any damage to Library users' personal devices, software, files, and/or equipment. Tampering with RSC equipment or attempting to access or modify the operating system or any other software or programming, including bypassing security functions, is prohibited.
- No filtering (blocking software) is used on these computers.
