

Arkansas Environmental Training Academy

COVID-19 Update

April 23, 2020

I hope this correspondence finds you safe and healthy! To all of the Operators we serve, THANK YOU for serving your communities during this time of uncertainty!

Due to social distancing requirements and guidelines outlined by Federal, State, and Local officials for social gatherings, the **Arkansas Environmental Training Academy will remain closed to in-person classes through May 29, 2020**. We will reassess the situation as we get near the end of May to determine if it is safe to resume in-person classes.

We are working to move in-person classes scheduled for May to on-line delivery where applicable.

Please visit the AETA website (www.sautech.edu/aeta/) and click on AETA Class Schedule and choose a Division and class. You can Register and pay on-line. If you have trouble or need assistance with on-line Registration please contact Beverly Ellis at bellis@sautech.edu or call (870) 574-4717.

While most of our staff is working remotely, the AETA Administration Offices remain open Monday – Thursday from 7:00am – 4:30pm to field questions and assist students. For your safety and the safety of our staff, we prefer that you contact us by e-mail or phone at this time. If we can help you please do not hesitate to call on us!
