Job Closing Date (Date that it will be removed from SAU Tech's website) Jan 03, 2021 11:59 PM

Job Description and Other Information: Georgia-Pacific is seeking candidates for Production roles at our Lumber mill in Gurdon, AR. This is a non-climate controlled mill, meaning you will be subject to seasonal temperatures. As a Production Worker, you will learn multiple operator functions. You will also be responsible for operating power equipment and hand tools to clean up debris in and around machines to ensure a safe work environment.

What You Will Do In Your Role

Adhering to all plant safety and environmental guidelines, policies and procedures

Learning to operate machinery to expected performance levels

Acting as a relief operator to cover other employees' breaks and vacations

Keeping the work area clean throughout the shift to ensure a safe and orderly work environment

Assisting team members throughout the mill during production times

Providing coverage for operators who are absent or on vacation

Performing basic care duties such as preventative maintenance on machinery or repairing minor issues

The Experience You Will Bring

Requirements:

At least six (6) months of previous work experience

Willing and able to work any shift, holidays, weekends and overtime as needed

Willing and able to work in a hot, humid, cold and noisy industrial environment

Willing and able to perform tasks such as lifting, walking, climbing, stooping, standing, pushing, and/or pulling for up to twelve (12) hours a day

Willing and able to maintain strict adherence to safety rules and regulations, to include wearing safety equipment

Willing and able to maintain strict adherence to our attendance policy

What Will Put You Ahead

High School Diploma or GED

Experience using a computer

Experience in a manufacturing or production environment

One (1) year or more of experience working in the lumber or timber industry

Experience operating mobile equipment, e.g.; forklifts, bobcats, cranes

One (1) year or more of leadership experience in a manufacturing environment

At least six (6) months of work experience in a farming, carpentry, construction, or military environment

Rate of Pay: \$15.00 per hour. Opportunities for advancement . Excellent benefits package.

Salary and Benefits Commensurate with Experience. Equal Opportunity Employer. Except where prohibited by state law, all offers of employment are conditioned upon successfully passing a drug test. This employer uses E-Verify. Please visit the following website for additional information: www.kochcareers.com/doc/Everify.pdf
