

## **SAUT/20\_21/02 Bookstore**

### **Questions and Answers**

1. Would SAU Tech consider outsourcing the bookstore to a complete online solution for course materials, supplies and merchandise?
2. Would SAU consider a hybrid bookstore option and continue to run a campus store for apparel, merchandise and sundries but outsource to an online bookstore for all course materials?

***It is very unlikely that we would consider this due to the personal hardships with some of our students.***
