NOTES			
1: General Education requirements, see Graduation Requirements section of UAFS Undergraduate Academic Catalog OR follow the (SAU Tech) General Education requirements.			
2: These courses are used to determine major courses in residency, see Graduation Requirements section of the UAFS Undergraduate Academic Catalog.			
3: Requirements for admission in Educator Preparation Program (EPP). Consult with faculty advisor regarding School of Education admission requirements and for courses taken after admission to program. The School of Education (SOE) at UAFS requires twelve hours of math courses beyond College Algebra prior to admission into the Elementary Education program. Students who transfer to UAFS with the earned AS and who successfully complete the Elementary Mathematics Subtest (details found here https://www.ets.org/praxis/ar/requirements/) will not be required to take the additional math courses in order to be admitted into the program. Students must still complete 120 hours in order to graduate with the BS in Elementary Education.			
4. Must be admitted to the School of Education Educator Preparation Program.			
Note: Prior to graduation students must demonstrate competency in financial literacy by satisfactory completion of FIN 1521 Personal Finance Applications (or an approved substitution) with a grade of C or better, or by a score of 70% or more on a challenge exam for FIN 1521.			

ACTS Transfer Course Information

The Arkansas Course Transfer System (ACTS) contains information about the transferability of courses within Arkansas public colleges and universities. Students are guaranteed the transfer of applicable credits and the equitable treatment of the application of credits for the admissions and degree requirements. Course transferability

is not guaranteed for courses listed in ACTS as "No Comparable Courses." See ACTS - Arkansas Course Transfer System acts.adhe.edu/studenttransfer.aspx for specific course information. See Acceptance of Transfer Credits section of the UAFS Undergraduate Academic Catalog for a complete list of transfer provisions.

Student Degree Program Requirements

A student's degree program requirements are those specified in the catalog in effect at the time of declaration of program major. Students must meet the above program requirements and the graduation requirements as indicated by institutional and college policy. The program can be changed only with the approval of the official advisor. If original courses are eliminated, students may be required to meet new curriculum requirements in the degree program. If students are not enrolled for two or more consecutive terms (excluding summer terms), they must re-enter under the program requirements of the current catalog. Students are responsible for understanding program requirements and changes. This document is not official until signed and dated by both the student and an authorized university representative.
