ROOF REPLACEMENT

VENDOR QUESTIONS AND ANSWERS

1. Are project drawings available?

No

2. What is the square footage of the buildings?

Manufacturing Building is approximately 17,000 square feet.

Tech Engineering is approximately 36,000 square feet.

These are approximate numbers and must be field verified by the contractor.

3. Is there a budget for the project?

There is no project budget, we are seeking pricing.

4. Please provide the physical address for both buildings:

- *Manufacturing Building – 6415 Spellman Road*
- *Tech Engineering (RE) Building – 6286 Coleman Road*

5. Are there any liquidated damages?

Liquidated damages are typically addressed during the contract negotiation.

6. What warranty is required?

Industry Standard Warranty.

7. Is there a start date for the project?

The start date will be addressed during contract negotiations.

8. Where are you wanting the ice and water shield - at valleys and eaves or just valleys?

Compliant with Industry Standards and Local Codes.
